Anticipated goals as a member of the Board of Directors?

As all good hunter's know hunting is not just the taking of a trophy or filling a bag limit it is the friendships, camaraderie, times of inner reflection, soul searching, mental endurance, all while achieving individual goals, taking of a game animal for table fare. My 5 years in Sporting Clays kindles this same passion. My goal as a Director.make sure we carry on the founding principals of Sporting Clays....*Keep the sport popular with hunters....simulate the hunting of ducks, pheasants and even rabbits ...offer the hunter a recreational target shooting sport that will strengthen hunting and gun safety skills and extend "hunting" seasons. Growth of the Sporting Clay Passion.....*
