Been shooting registered clay targets for close to 50 years. Although this will be my 47th World Skeet Shoot in a row to attend in 2010, I have been shooting trap for 25 years and was one of the first life members of NSCA (# 500037) and have shot Sporting over 20 years.

AS for NSCA Club Affiliation - I shoot at Creekwood Shooting Sports; American Shooting Centers and any other club in the Houston area that throws targets. Because of my job with White Flyer, I try to support all our customers.

As for Targets shot in 2009, I shot over 3000 registered. My intention is to shoot more Sporting as I have basically retired from the active NSSA Skeet Circuit plus in my role on the NSCA EC I will try to get out to all the Texas Clubs I have not shot at.

My entire life has been involved in the Shooting Sports other than a five year span that I taught High School History and Coached Baseball and Football. I am one of those lucky few that gets a paycheck every two weeks for doing things I love to do !!!

My reason for seeking nomination to the BOD is to help promote and grow Sporting in our State of Texas, plus to help and work with our shooters and gun clubs. It is my hope that thru my experience in the Shooting Sports that I can partner and help the organization and work with those already in place to improve Sporting for our shooters and facilities in the State of Texas. Our local facilities are our keys - my hope is to find ways to help these gun clubs, not only thru Industry help, but to work within our State.

Should you have additional questions or I left out anything, please advise.

Thank you for your consideration.
