Candidate Biography

Name: Jack N. Burch II
Address: 1886 Cypress Creek Road
City: Kerrville, TX
Occupation: Range Manager
Years Shooting: 40
Years Shooting Competition: 20

Anticipated goals as a member of the Board of Directors: The areas I feel we need to improve the association are in the selection of the state championship venue and the selection of monthly shoot dates. These have been perennial problems for the association. In recent years the state championship selection process was streamlined to a rotation system of the ranges that were certified by the board of directors as able to host the championships. We need to further improve the system to identify more ranges that have the infrastructure and experience to host this prestigious event. As a board member I will take a more active roll in this process. The selection of monthly shoot dates has become a point of contention in recent years. The range owners decided among themselves to limit tournaments to be outside of 150 miles of each other to promote larger tournaments. This system has worked well however we need to continue to look for ways to improve opportunities for shooters and clubs. I will take an active roll in this process to look for these ideas.

Other Board of Director memberships: None. Lifetime NSCA Member.

Club Affiliation: Hill Country Shooting Sports Center, Kerrville, TX

Membership in other organizations in the shooting community: USA Shooting is the national governing body for Olympic shooting sports of which I am a lifetime member. I am currently a certified referee for all Olympic shotgun matches as well as NSCA matches. I am certified to be on the Jury at any Olympic shotgun match.
