### From John Calandro III - TSCA President

#### Are you ready?

We are approaching a very exciting time of the season with the NSCA National Championship scheduled later this month. This is the largest sporting competition in the world with over 1,700 shooters expected.

Those of you that have attended have your own personal reasons to attend, among them I hear: target quality, smooth operations, tremendous vendor presence, great evening festivities on or off site. The restaurants are popular, seeing old and new friends always is a highlight. Usually a prime weather season in San Antonio, International friends and guest are in abundance. There are many common reasons and I am sure several personal favorites we appreciate and look forward to.

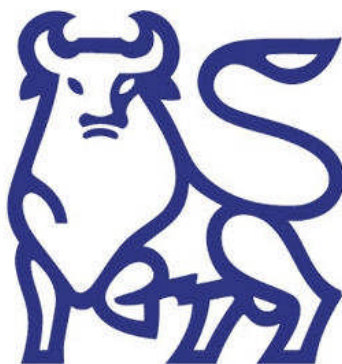

If you've never been, you're in for a treasured memory.

This year will be extra special for me as my son John has purchased "Clay Shooters Supply" from Brenda Blassingame who has retired to a life of leisure and fishing and grandkids. Now he and my wife Kim will be there all week to share the experience. Stop by store #25 and wish him luck in his new endeavor!

Congratulations to Rock Creek Clays for successfully hosting the Texas State FITASC Championship. Tony Monzingo and Jim Milligan had great staff support in holding this 3 day event. Also thanks to John Rea for his commitment as the TSCA board liason to help make sure this event was seamless.

Congratulations to Robert Crow for the job he did setting the Championship course. Salute to Scott Robertson, who bettered RU Tom Mack by one target to claim HOA. It's nice to see old guys still have a chance with all the young talent we continue to see at the competitions.

We have completed the 2012 shoot schedule. I want to thank the rangeowners for their attention to the deadlines we had to get this published this early. They truly are partners of our in expanding and furthering our fine sport. We are submitting the list to the NSCA and will also have it posted on Shooterspage.com in the next week.

Ready or not, see you in San Antonio!

John Calandro III  
TSCA President

### Green Girl Photo Books are Ready!

Well I finally chained myself to my desk and finished my backlog of photo books! For the past 3 weeks I have been diligently working to finish them and they're now ready!

You can view them online at: [Green Girl Book Store](#) and there will also be hard copies along the "left-hand" wall as you go through registration. I'll have some with me on my cart at Nationals so flag me down if you want to check them out! You can order them right off the website or contact me and I'll get them ordered and shipped. [Lynne@greengirlphotos.com](mailto:Lynne@greengirlphotos.com) or 214-675-8855

**From 2010: The US Open in Tunica & Nationals** in addition to the **Brad Kidd Jr. feature book** for winning the 2010 National Championship. I also finished **Gebben Miles' feature book** from his 2009 Win...finally!

**From 2011: World English @ San Antonio, Triple Classic @ Rio Brazos, US Open @ M&M, Texas State @ American Shooting Centers, World FITASC in France and a Team USA Combo book from both the World English and the World FITASC!**

**For you Oilfield shooters - I also completed the Houma Oilman's (HOSCI) and Houston Oilman's (HOIST) Shoot books also! The 2010 and **2011 4-H Fandango** books are completed also!**

In addition, Cory Kruse and Brad Kidd Jr. gave me their photos from their awesome trip to Australia for the 2009 World FITASC and I put them into a book also. There were some absolutely stunning photos taken by these two and with the fishing, hunting, and helicopter ride (and oh yeah - there's a bit of shooting too) they definitely know how to make the most of a trip around the world!

And last but not least - **I'll be at Nationals taking pictures!** Stop me and say hello and if you want some pictures taken! Please let me know and I'll find you on the course. A couple of requests: Wear bright colors!! They look great in pictures - even black is a great contrast!

Please wear your shooter numbers so they are VISIBLE - this is how I know who you are and can tag your photos so they are easily searchable once I place them online because...***the best shot you take all weekend could be the one that I take of you...but you'll never know if I don't know who you are!***
