From John Calandro III, TSCA President

Friends,

I would like to congratulate all my [All-American Sub-Gauge](#) teammates for their accomplishments and dedication in 2010! Again, Texans had a huge population in the final success tally for these awards!

When you see these fine shooters at the next competition, give them a congratulation's for their accomplishments.

The Zone 6 shoot takes place this week. Over 325 shooters are registered and the grounds are gorgeous for this spring event. The Niederer family has spared no detail, and promises the best ever. Please come join us!

Congratulations to the Pines in Lufkin for another successful Rooters open. This is the longest running Sporting Clay event in Texas. This club and their members have tremendous pride in their facility and events. The experience was spectacular, the food delicious, and the crowd a joy to be with. Be sure to put them on your calendar for a shoot in the near future.

It is TSCA election time again. The ballots should hit your box in the next week. You can also use the ease of electronic voting at www.tx-sportingclays.org This year we are fortunate to have Nadim Nasir Jr. and John Harris volunteer for one more term on the executive board. [Rick Storey](#) and [Richard Whaley](#) will up for

another term as a board members, while we have two new candidates, [Cary Skaggs](#) from West Texas and [John Rea](#) who has provided several hours of help to the board this year. Please thank these gentlemen when you see them for their willingness to volunteer and follow up with action.

The [Triple Classic](#) is just around the corner May 4-8. This will be an opportunity to hang with the best in the world. Rio Brazos has already started setting the facility with the 200 of machines they received in shipment on this week. Nothing the Brunton family does is short on quality. We are lucky to have the US operations here in Texas and look forward to the experience. We will visit this again in our May newsletter for final preparations.

The TSCA Texas State Championship is nearing fast. Many of the FITASC times are closed. To get your dream schedule, please commit today. The TSCA, and it's sponsors have over 250 prizes to give away at the Saturday night dinner. Your odds have never been better to be a winner! Attention to detail by the ASC staff promises to make this a can't miss event. New shooting venues will impress you, and the best target setters in the business promise to show you hittable, and yet thinkable targets. They all promise to make Mr. Greenway proud! Come support your Association, and enjoy time with the friendliest members on the planet, for this year's gala event!

The 2011 TSCA [Texas State FITASC Championship](#) registration is live! This year's event will be held at Rock Creek, a perfect venue and typography for this event. Management has invested substantially in infrastructure improvements, including new courses, roads and machines to make this the first class event we expect here in Texas. The event will span 3 days and include preliminary and weekend sporting events as well as 5-Stand and subgauge. Come break some clays as we hope to be breaking the summer heat by then. The awards and prizes will be beefy and the Texas hospitality will be extreme. The Beaumont family will be opening all of their beautiful facilities to our association. The food will be remembered and the experience will be remembered.

This year Robert Crow will be our Master target setter for the Main event. Mr. Crow established quite a reputation as a fair but creative target setter at Nemacolin, where he spent several years as director of the academy. Currently Robert is the NSCA Sporting Clays Director.

Give it your best shot,
John Calandro
President,
Texas Sporting Clays Association

Zone 6 this Weekend!

Green Girl Photos will be there taking photos for the event - don't forget to smile!

Sponsored by Briley, the National Sub-Gauge Team honors those Sporting Clays shooters who excel at the challenge of competing with 20 gauge, 28 gauge, and .410 bore. The Briley National Sub Gauge Teams exclude shooters who made the 2011 Krieghoff All-American Team.
