Dear Friends,

This is an exciting time to be a shooter in Texas!

We just saw two fine Internaonal events take place in San Antonio at the Naonal Gun Club, and in Houston at Robazos. Thanks to all the shooters who took the me to parci pate i ntese fine events.

A special Kudo the the Bruton family and to Connie Parker and her sta for the special touch at the Triple Classic. In my book, it may have been one of the finest events I have parci pat ed in W at qualifies them for this honor? The combination of easy registration, both in advance with fine commuicaon and on-site with ease and speed. A special combinaon of vendors and sponsors who took the me to serve the needs of the shoot ers. GREAT TARGETS!!!! Show me the whole target, give me a chance to make mistakes myself, I will. We do not need target seers that eat shooters with thin long fast targets you cannot see. Great targets!!!! Expect to see that at the Texas State Shoot!!! Good food, excing shoot os. Top- not ch referees, and course mangers that kept things moving. Add friendly people who care about your entertainment experience, and we have a great shoot! Please take the me Friday the 14th to help Coney Creek Lodge celebrate their grand opening. I was fortunate enough to have a site visit recently and this place is nice! Don't miss this special event, and help the Bound's family start with a bang! I am counng on you all!

The TSCA Texas Spornq Clays championship is near! Will over 40 parci pants are pre registered. SC was kind enough to open FITASC for Wednesday as the field was full. Do not delay, as this

like more informaon
on the candidates.

will fill quickly also. We will have a special edion of the
newsleer prior to the event. More to come !!!
My wife thinks I am crazy and ponders a new personal record for
tournament targets this year. How can you miss any of these
events?

I look forward to seeing you all at Caney Creek and the State shoot!

Triple Classic - May 3-8th

Triple Classic has come and gone with George Digweed taking the Championship...but major kudos to Gebben Miles from Arizona (who comes to Texas to shoot A LOT) for snatching the FITASC victory from he and Diego Duarte. Diego came in Runner-up with George in third. George was very gracious in congratulating Gebben and hoped he didn't have plans to come and shoot in Spain this summer.

Texas' own Janet McDougall bested the UK's Becky Bream and Sweden's Anna Jarnald to take Lady Champion with fellow Texas girls Haley Dunn in 4th and Jenni Clark in 5th.

In 5-Stand, Byron Jusce and Theo Roberts came in runner-up and third respectively behind George having a 5-way shoot-off for 2nd and third - all scored a 95. There were 8 shooters with 94's right behind them.

On the Tuesday prelim, Haley Dunn from St. Jo, TX beat out the girls from across the pond to take Lady Champion.
