From John Calandro III - TSCA President

Dog days of Summer are here!!!

It can be said we are grinding through the dog days of summer. Both Dixie and Birdie look at me with the same, 'are you crazy?!?' look my wife gives me, as I load up to shoot in 110+ degree heat these days. As you open the door to leave and feel that furnace

2 TIME ALL AROUND SHOTGUN NATIONAL CHAMPION

blast, you know you really are addicted to this game to grind through it.

First, let me remind you to be careful! I do also give Kudo's to the range owners, as every shoot I have attended this summer had ample cold bottled water. As it cools down (and it will...eventually!) start your ascent to the TSCA State FITASC Championship!

John Rea has been working hand in hand with Tony Monzingo and Jim Milligan at Rockcreek, to ensure a high quality experience. First and foremost, with all the talent on display, we will have a high quality shoot.

Robert Crow will be setting the Main Event, and after his most recent scouting trip, he raved about the new fields and venues they have finished, offers him as good a layout as he has had to work with.

Month Parsons has committed to bring the A team of referees and they are planning on making this a shooter friendly event. If King Mo says friendly, it's game on!

David Smith has worked closely with the Atlas trap company and will be providing a new generation of the top trap they provide and a real contender with club as to high quality products. The Atlas family will be in attendance and we will have more wrenches at this shoot than Snap on Tools! Now all we need is YOU!

**Rock Creek
CLAYS**

Premier Sporting Clays Facility
A hearty Texas welcome to Rock Creek Clays, a premier sporting clays facility conveniently located 35 miles south of downtown Ft. Worth and an hours drive from DFW International Airport and downtown Dallas. Situated on the famous 800 acre Beaumont Ranch, the historic Chisholm Trail once crossed our sporting clays courses and longhorn cattle can still be seen roaming the rolling plains of northeast Texas.

Sporting Clay Retreats
Our location places us in the center of the North Texas hotbed of sporting clays where we can serve the 1000s of current and potential sporting clays shooters. Enjoy a round of Texas-class sporting clays and then have breakfast, lunch, or dinner in the award-winning Beaumont Ranch, you can also spend the night in one of the 14 bed and breakfast rooms, host a banquet or charity fundraiser, conduct your professional team-building retreat, enjoy a lakeside-prepared steak dinner with fine wine, or experience an old-west inspired trail ride and longhorn roundup.

Friday Night Fish Fry
Join us on Friday afternoon for a round of sporting clays and stay for Beaumont Ranch's famous fish fry in the Lone Star pavilion. Often times, you will be entertained by live music starting at 5:30pm. Every Friday night, the entire family can enjoy an all-you-can-eat buffet of fried catfish.

The range owners will be meeting Thursday night to pick dates for 2012. Friday night, the host facility Beaumont Ranch will be conducting their famous Fish Fry Friday night, which will have plenty of room for the shooters to join in with the community. Live entertainment and great camaraderie is a sure thing. Saturday night, Rockcreek will provide a buffet reception, and host the shoot out for completed events and the Snooker Finals!

Come join the fun! Don't let the dog days slow you down!!

We have a goal to have our 2012 Shooting Schedule finalized for you to view in the October newsletter. We have 4 new clubs that are throwing registered targets this year and a 5th that will start no later than early next year. With our calendar due out early, you can begin to plan your attack on the 2012 Sporting Clays season!

Thanks for your support and suggestions that only make our game and association better!

Dixie and Birdie will make it through the dog days with me, so should you! Please stop by and say hello at one of the upcoming shoots!!
